

2018 Camp Barrett Inspection Supplemental Questions re: LGBTQ Youth

1. Are staff trained in basic LGBTQ competency?

Camp Barrett staff attended countywide LGBTQ training. STAT team participated in training from the Our Safe Place Program for LGBTQ youth.

2. Do you ask youth their gender identity and gender pronouns during intake?

The STAT team asks for gender identity during behavioral health assessment when youth initiate mental health services.

3. How do you work with youth who identify as non-binary, genderqueer, gender non-conforming, neither male nor female?

Camp Barrett staff shared that not many youth have self-disclosed or self-identified their sexual orientation and/or gender identity.

4. What safety measures are in place to ensure that LGBTQ youth are safe and protected from harmful encounters?

Staff stated that bullying and harassment are not tolerated and are immediately addressed. There have been no reports of bullying or harassment due to gender identity and/or sexual orientation.
